

SVC ACADEMY

SVC Academy Disclaimer

The content, courses, training materials, templates, spreadsheets, worksheets, binders, videos, and other resources provided through SVC Academy are intended for educational and informational purposes only.

SVC Academy does not provide legal, financial, tax, accounting, investment, or real estate brokerage advice. The information presented is not a substitute for professional advice from licensed or qualified professionals, including attorneys, accountants, financial advisors, real estate brokers, or other specialists.

Participation in SVC Academy courses does not constitute enrollment in an accredited college, university, or degree-granting program. Completion of any course or certificate offered through SVC Academy does not replace or qualify as a college degree, professional license, or formal academic credential.

All examples, scenarios, calculations, and tools are provided for learning purposes only. Individual results may vary, and users are responsible for conducting their own

due diligence and verifying information before making any business, financial, or investment decisions.

By accessing or using SVC Academy resources, you acknowledge that you are solely responsible for your decisions, actions, and outcomes.
